**A passing score must be attained on all components:

Mechanical (65%), Human Relations (75%), Math (70%) Reading (70%) and Total (70%).

The results listed above are in order and were received from Ergometrics & Applied Personnel Research, Inc. This testing procedure was implemented as a standard of selecting a qualified applicant pool. For more information regarding the process, you can visit www.ergometrics.org.

If your row is highlighted in YELLOW, you are part of the group that makes up the eligibility list. Starting at the top the City will take the first two applicants and continue the hiring process. As needed the City will continue down the list to fill vacancies as they occur. This list will remain in effect until September 30, 2011.
