For Immediate Release

Date: December 23, 2009
Contact: Chief Randall F. Parr
Phone: (281) 351-7101

The Tomball Volunteer Fire Department is pleased to announce the graduation of three of its members from the Northwest Fire Chief's Association Cadet Academy. Joshua Boyd, Randy Marquez and Hector Rios completed the 210 hours of training held at the Cy-Fair Volunteer Fire Department Training Center located at the Lone Star College – Cy-Fair Campus on December 5, 2009. The completion of the training earns each member a Basic Firefighter Certification from the State Firemen's and Fire Marshal's Association. The three members will advance in rank from cadet firefighters to probationary firefighters. This promotion signifies that they are now qualified as structural firefighters and are able to operate inside of burning buildings.

Included in the picture, from left to right, are Joshua Boyd, Randy Marquez, Hector Rios and Fire Chief Randy Parr.
