City Receives Certificate of Achievement for Excellence in Financial Reporting from the GFOA

The Government Finance Officers Association of the United States and Canada (GFOA) has awarded a Certificate of Achievement for Excellence in Financial Reporting to the City of Tomball for its comprehensive annual financial report (CAFR). This certificate of achievement is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management.

The City's CAFR has been judged by an impartial panel to meet the high standards of the program including demonstrating a constructive "spirit of full disclosure" to clearly communicate its financial story and motivate potential users and user groups to read the CAFR.

This marks the 20th consecutive year that the City of Tomball has received the Certificate of Achievement for Excellence from the GFOA.
