On June 27, 2011, at approximately 3:00 am, Tomball Police Officers were dispatched to 920 Lawrence, the Cobble Creek Apartments, in reference to an aggravated robbery/home invasion, in progress.

Based on the initial information, police dispatchers were able to quickly provide the responding officers with critical information pertaining to the circumstances surrounding the violent crime, which included suspect, weapon, and vehicle information. Responding officers were able to locate suspects and vehicle in the parking lot on the west side of the apartment complex. As the officers made their initial approach to the vehicle, several black male suspects exited the vehicle and fled in multiple directions throughout the parking lot of the apartment complex.

After a brief search of the parking lot and apartment complex the suspects were located, identified and transported to the Tomball Police Department. During the process two handguns were located in close proximity to the stolen vehicle the suspects had been in, as well as a second vehicle belonging to one of the suspects.

All three suspects taken into custody have each been charged with four counts of aggravated robbery and are currently incarcerated in the Harris County Jail and are under a \$120,000 bond.

Six additional suspects have been identified and additional aggravated robbery charges are expected to be filed in the near future.

Anyone with information that could assist with the apprehension of the six additional members involved in the aggravated robbery/home invasion is encouraged to contact the Tomball Police Department and or Crime Stoppers.
