Number 1 Employee Retires

As of 4:00 PM, January 14, 2011, the City of Tomball will lose its number 1 employee Virginia “Ginny” Young. While Ginny is number 1 in all our hearts, she is also officially the City of Tomball’s #1 employee. Ginny was given this honor 34 years ago when she started with the City and was assigned the #1 as her employee number.

Ginny’s career with the City began in 1977 when she was hired as the Assistant to the City Secretary. In 1981, she became the City’s first Municipal Court Clerk, a position she has held ever since. Ginny has served the City of Tomball diligently with honor and love.

From her entire City of Tomball family, we would like to wish Ginny a long and happy retirement!
