## **Tomball Downtown Specific Plan Public Workshop**

**August 26, 2011**

On Wednesday, September 7, 2011, the City of Tomball will be hosting its final public workshop from 6 to 8 pm at the Community Center, Room A (221 Market Street) to present and discuss the Draft Downtown Specific Plan. This workshop will be a great opportunity for the public to view the Draft Downtown Specific Plan and provide input.

In early 2011, the City kicked-off the Downtown Specific Plan effort to guide future development and redevelopment of Old Town Tomball. The plan will translate long-range planning into regulatory policy, including providing specific zoning and design standards for the Old Town area.

This will be the final public workshop for the Downtown Specific Plan before City Council's anticipated adoption of the plan.

For more information on the Downtown Specific Plan, visit the City's website ([www.ci.tomball.tx.us](http://www.ci.tomball.tx.us)) or contact Rodney Schmidt at 281-290-1410 or [rschmidt@ci.tomball.tx.us](mailto:rschmidt@ci.tomball.tx.us).
